GALA HISTORY AND TABLE LAYOUT

* After many successful gala dinners from 1983 to 2001 held in the dining car "Argyle" at the former museum site, the museum relocated in 2002. However the new site and facilities, including the Hall, were not able to be prepared for a dinner until 2005. From a former maximum of 36 in the dining car, we now seat 120 in the Hall at tables of 8, and some tables of 4. This layout leaves ample circulation space and room for entertainment, including the magnificent **1864 Concert Grand Piano**, which is used for the Gala.

ENTERTAINMENT DURING THE DINNERS (see more details on last page)

* Various musicians will entertain you between each course as short musical interludes to offer variety and excellence in the Spirit of Christmas as might be celebrated in New Orleans, the theme for this year.

CORPORATE OR GROUP BOOKINGS

* Groups or businesses may want to book a table for their staff at a special corporate rate. Or you may want to give a ticket as a gift to someone, or yourself. All tickets come with a charitable receipt.

ATTIRE

We want our guests to be comfortable, but in order to maintain the ambience of the evening with respect to the historical context of the Royal Alexandra Hall and the era portrayed, we urge attendees to maintain a business attire or, at the minimum, sports coat and tie for gentlemen. We also encourage semi and full formal wear or period costumes as this fits well with the evening ambience.

A MUSEUM ANNUAL CHARITABLE FUND-RAISING EVENT

* Since this is a fundraising event, a portion of each ticket is a **charitable donation** with an income tax deductible receipt. Net proceeds from this event helps the annual operations of the Museum.

* The Museum does not have the resources that a large urban centre would have and it does not have the average total government subsidy of between 80% and 90% for operations. The museum must raise 55% of its annual operating budget - a difficult task. Besides railcar tour ticket and gift shop sales, memberships and other ventures, these Gala Dinners are a fun annual fund-raiser. About 25% of each ticket sold pays for the printing and advertising, and entertainment costs, less any Sponsors that can be confirmed before the event. The balance (around 15%) goes to the Museum to support annual operating costs.

*** YOUR PURCHASE OF GALA TICKET IS THEREFORE A MAJOR FORM OF FINANCIAL SUPPORT TO THE MUSEUM.**

The historic 1884 John Broadwood & Sons Concert Grand piano will provide reception music and accompaniment for soloists and other entertainers between the dinner courses and at the Brunch. Enjoy the professional entertainment in the superb acoustics of the Hall.

* The Piano is available for specialized concert use at the Hall, and is a vintage instrument, with original action and ivories, and finished in rosewood. It has the sound of a mid-19th century grand piano. This historic piano also assists young aspiring musicians to learn from visiting performers, perfect their art through performance on this unique instrument, and provide a more comprehensive music instruction in the region. A variety of other rental uses in the Hall include weddings, luncheons, dinners, dances, meetings, etc.
